Every gathering finds its rhythm around the table.

Four ways to gather.

From a light welcome to fine dining, each menu is considered in keeping with the nature of your celebration.

A day, held in memory

From the quiet of getting ready to
the last dance,

we preserve your story through
photography and film

01

A STORY IN MOTION

**A wedding film, made to
be felt again.**

A 3-4 minute celebration
film and a 1-minute teaser
created exclusively for your
story.

Enriched by drone footage
captured throughout the
day, the film tells the
emotion and atmosphere of
your celebration through a
cinematic lens.

03

04 / LIGHT & ATMOSPHERE

As daylight fades,
the atmosphere
changes with it.

As daylight gives way to evening,
Villa Amikos takes on a new

elegant chandeliers, illuminated
trees and intelligent moving lights
create layers of atmosphere,
designed to complement the
rhythm and visual language of your
celebration.
